Vision to be Organized

Happy Fall!

The cooler weather has arrived and just this past weekend the first snow has fallen in the midwest states. I have pulled out my spooky decorations for that great Halloween night. Plus, there is that wonderful wood burning smell in the air.

This newsletter will get you to think about those great Holiday gifts along with tips for a great Garage organize project.

Thank you and enjoy!

Vision to be Organized

Fall time is the perfect time to Organize your Garage.

The cool weather is a great plus for Garage organizing, and you will soon be spending a lot of time in the garage (if you are not already) searching for those wonderful holiday decorations. So let's get organized while we're out there!

5 Tips for Organizing the Garage.

1. Have the entire family help; most likely everyone has something in the garage to organize.
2. Trash cans and Recycle bins need to be near by.
3. Colored bins for selective holidays (ex. for fall you will find orange and brown bins available).
4. Designate areas of the garage to be certain categories (ex. Lawn Care, Sport Center, Garden tools, Holiday Storage).
5. Sort, Purge, Categorize and Label.
