## **Preserve those Photos!**

Photo frames and digital converters were hot items this past holiday season. Photo storage has really evolved from the cardboard box. If 2009 is your year to work on your photos, please be sure to strongly think how you want your photos preserved. Preserving your photos will keep your memories lasting forever.

## **Organize those Closets!**

A New Year means New Clothes. Take 30 minutes of the New Year to collect ONE bag full of clothes that you never saw last year. Once you have that ONE bag of clothes, take it to your local donation center. This ONE bag will help you to organize your closet!
